

Red, White, & Buzz

CHALLENGE

The challenge goes something like this: You can start your own challenge of either shaving your head or donating \$10 to Forgotten Soldiers Outreach. Whichever decision you decide to do, you then turn around and challenge 2 or 3 of your friends to do the same and only give them 48 hours. Direct people to the Red White Buzz facebook page where you will be able to donate your \$10 via gofundme.com, if you decide not to shave your head. Please use #redwhitebuzz when sharing your video so we can see everyone's video's.

The reason why Forgotten Soldiers Outreach is doing this "Red White Buzz Challenge" is because the Mayor of Lantana has challenged Forgotten Soldiers Outreach to raise \$20,000 by November 8th. On November 9th, if we have raised the money then the Mayor will shave his head and facial hair completely off. BUT we need to raise \$20,000!!! Let's get this challenge going.

This whole event is to benefit Forgotten Soldiers Outreach (FSO). FSO sends out monthly "We Care" packages to those men and women that are deployed overseas that receive little to no support from home. We ensure that they are not forgotten. 92% of all funds raised by FSO goes towards sending out our "We Care" packages. FSO is a non for profit organization, 501(C)(3). FEIN 51-0493205 and is registered in the States of Florida and Georgia.

For more information about FSO, please visit the website at www.forgottensoldiers.org or call at 561-369-2933.
