WHO WE ARE

September 11, 2001, changed our lives forever as our Country stood united as one. In October 2003, **Forgotten Soldiers Outreach** was born with a vision of doing what we could to **send that little bit of home to our troops overseas**. Service members were provided with much needed care items as well as letters of encouragement.

Over the years, Forgotten Soldiers Outreach has become a nationally recognized organization receiving support from all over the Country. We send out monthly “We Care” packages to our United States deployed military who have been registered by family members, friends, commanding officers, or themselves.

Deployments continue all over the world, and our list of men and women in uniform continues to grow. Now, more than ever, our men and women serving in the military can use that extra morale boost that is received through our “We Care” packages.

MISSION AND VISION

**Supporting America’s deployed military service members,
to ensure they are not forgotten.**
