## WHO WE ARE

Born from a moment that forever changed our nation, Forgotten Soldiers Outreach began in October 2003 with a mission to deliver a touch of home to our troops overseas. In the wake of September 11, 2001, as our country stood united, we were inspired to support our brave men and women in uniform with "We Care" packages filled with essential items and heartfelt letters of encouragement.

What began as a small gesture of gratitude has grown into a nationally recognized nonprofit, fueled by generosity from across the United States. Each month, we send our signature "We Care" packages to deployed U.S. service members—nominated by loved ones, commanding officers, or even themselves.

As deployments continue worldwide, the demand for morale-boosting support grows. Now more than ever, these care packages serve as a powerful reminder to our heroes that they are never forgotten. **To date we have benefited over a million of our deployed Armed Forces.**

### MISSION AND VISION

**Supporting America's deployed military service members,  
to ensure they are not forgotten.**
